

# The Gracie's Draught

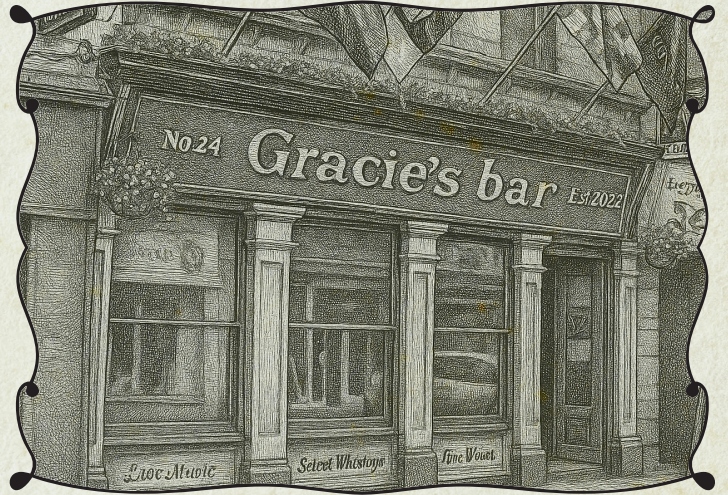

SERVING PINTS, PLATES & PURE NOTIONS SINCE 2022

## OUR STORY

Michael Boyle, founder of the Gracie's Bar Group, has been deeply immersed in the hospitality industry from a young age.

Working alongside his parents, Declan and Michelle Boyle, founders of the renowned McCafferty's Bar Group, Michael gained invaluable hands-on experience in every aspect of the family business. He developed a deep grá (love) for the trade, inspiring him to carry forward his family's legacy

Fulfilling a lifelong dream, Michael opened his first bar in May 2022, when he acquired McHugh's Bar, Sligo.

He seized the opportunity to transform the iconic venue with a full renovation, an extension, and a brand-new identity, Gracie's Bar.

The name Gracie's is a heartfelt tribute to Michael's beloved grandmother, Gracie, who passed away in 2017. She played a huge and influential role in his life, and naming the bar in her honour ensures that her memory and spirit live on.

Following the success of Gracie's Sligo, Michael expanded the brand with the opening of Gracie's Bar, Carrick-on-Shannon, in November 2022. Both venues have continued to thrive, earning a reputation for exceptional hospitality, live entertainment, and a warm, family friendly environment.

Michael remains focused on further expansion, with new locations planned in the near future to bring the Gracie's experience to even more communities across Ireland.
